**Docket No.: H01.2I-11939-US01**

**Preliminary Amendment**

This preliminary amendment is submitted with this national stage filing under 35 U.S.C. 371 from PCT/EP03/14767 with an International filing date of December 23, 2003, claiming priority from German patent application No. 103 00 174.3 filed January 8, 2003. The applications were filed on behalf of Nordex Energy GmbH.

If an extension of time is required to make this response timely and no separate petition is enclosed, Applicant hereby petitions for an extension of time sufficient to make the response timely. In the event that this response requires the payment of government fees and payment is not enclosed, please charge Deposit Account No. 22-0350.

Please amend the application as follows:

Amendments to the specification begin on page 2 of the amendment, and amendments to the claims begin on page 4 of the amendment. The amendments are being made relative to the English translation of the Chapter II amended application, attached pursuant to line 10 of the transmittal.
